

Autumn Term 1 Unit: Happily Ever After and Children's Champion

Dimensions Overview of units: 'Happily Ever After' is a thematic unit, based around fairy tales, with a key focus on literacy and drama. It is designed to enable pupils to develop a love of stories, as well as providing a vehicle for communication through creative arts work. **'Children's Champion'** is a history-based theme, integrating the subjects of PSHE, drama, English and music. The story of Thomas Barnardo, famous for providing homes and education for poor children in Victorian Britain, is both inspiring and relevant.
