Owls Autumn Term 2 Units: 'Medicine Woman' and 'Come and Join the Celebration'

Dimensions Overview of units: 'Medicine Woman' is a competency unit, with a key focus on history. It tells the inspirational story of Elizabeth Blackwell. She is famous for being the first woman to graduate from medical school and the first female Doctor of Medicine in modern times. **'Come and Join the Celebration'** is a thematic unit, based on significant festivals and events, with a key focus on history and R.E. It begins with a seasonal event, Bonfire Night, and moves on to Diwali and Remembrance Day, finishing with Christmas celebrations.
